

1.57 Annual Club Youth Exchange Agreement

In order to finalize agreements with other countries for next year, the Committee must know well in advance how many students we will be sending out - and how many we will be able to host. If Clubs send out more students than they agree to host, the additional students will be designated as "alternates", and eligible for placement only after all regular students are placed and then only if a corresponding inbound hosting commitment is confirmed from another club. Or they could be chosen to replace a regular student that drops out of the program.

Clubs can host a student and not send any out – **but can not send out any students unless they agree to host at least one.**

By October 15th, please complete and submit to the District 5080 Youth Exchange Committee Chair by email. If you have any questions, please contact the Chair of the District 5080 Youth Exchange Committee. (See the Contact page of www.rotaryye5080.org for details)
